Hi Jamey,

I am writing to follow up on the Native Village of Tyonek's (NVT) former request for information (attached) and to give clarification that NVT's request for information is made pursuant to FOIA. To the extent the prior letter request was not clear, NVT's FOIA request is for the Chuitna Site Specific Criteria and reclassification decision document of July 2014.

In addition, to the extent it would expedite EPA's release of information to the Tribe with return letter, NVT is fine with its FOIA request being delegated to EPA's FOIA personnel Dan Opalski or Angela Cox.

Thank you very much,

Heather Kendall
